

Jackson Memorial Elementary School News

November 2013

Fall has been exciting for 1st grade! We have learned many things about the season and how people and animals adapt to the different seasons and changes in the weather. We took an exciting trip to William's Orchard where we learned which vegetables were harvested in the Fall.

Third graders have been doing a wonderful job learning and accepting responsibility for their weekly assignments. We are very proud of their enthusiasm and hard work displayed each day. We were able to attend a very fun day at FCHS for PIONEER Days. The children learned a lot about our environment and local traditions and experienced many hands-on activities that support our SOL's. We would like to thank the parents who have helped "build the bridge" between school and home by attending PTO, parent/teacher night and "Building Bridges". It takes a lot of support to reach our third grade goals and we are VERY thankful for your help.

Fifth graders have been busy learning about Native Americans. They created wonderful dioramas showing what life was like during that time period. The diorama showed the Native American's dwelling, food source, clothing, animals, and tools. They were great! We are now moving on to Early Explorers!

DATES TO REMEMBER

PTO MEETINGS 2013-2014

Please support the JMES Parent Teacher Organization by attending one of our meetings. Meetings are held on the second Monday of each month at 6:30 at JMES.

Please keep your child's lunch account balance current. All monies for charges for breakfast/lunch are to be sent to the office in a separate envelope.
